**THE MISSION AND VISION  
OF THE LOCAL CHURCH**

- 
- 1 What is the mission of the local church? How does the Great Commission (Matt. 28:18-20) influence your understanding? Why is such a mission non-negotiable?
  - 4 What are some of the consequences for setting forth a mission of the church not grounded in the Great Commission?
  - 7 How can the individual church member contribute to the formation of a missional church culture?
