LIVING

10-WEEK SUMMER HOME STUDY BEGINS TODAY!

(Evening services break through the month of July)

The past two summers, we looked at the first four components on The Missionary Task: Entry (building relationships), Evangelism (sharing the gospel), Discipleship (teaching the Bible) + Healthy Church Formation (serving the church).

This summer, we will focus on Leadership Development (Raising Leaders) + Exit (Sending Missionaries).

Plan to join or host a group, or walk through this material with your family in lieu of Sunday evening services.

Discussion guides and videos will be released weekly (on Saturdays) on our website.

Are there strategic places in your life where you could speak of Jesus? How can you identify these places?

5

What does it mean that Saul increased in strength? Is this physical strength (after being blind and not eating or drinking), spiritual strength, or something else? What would that look like?

8

By the end of this passage, Saul has disciples who are willing to help him escape. Do you have “lower you in a basket” friends? Though we face less dire circumstances, how can we cultivate strong, supportive relationships in the church?
