## 10-WEEK SUMMER HOME STUDY! WEEK TWO NOW AVAILABLE

(Evening services break through the month of July)

The past two summers, we looked at the first four components on The Missionary Task: Entry (building relationships), Evangelism (sharing the gospel), Discipleship (teaching the Bible) + Healthy Church Formation (serving the church).

**This summer, we will focus on Leadership Development (Raising Leaders) + Exit (Sending Missionaries).**

Plan to join or host a group, or walk through this material with your family in lieu of Sunday evening services.

**Discussion guides and videos will be released weekly (on Saturdays) on our website.**

**THE GOSPEL MESSAGE:**  
Understanding the  
Good News of Jesus

- 
- 1 Explain why God's promise to Eve in Genesis 3:15 is the first gospel announcement in Scripture. What effect does its placement have on how we read the Bible? What does such a promise teach us about the character of God and his plan of redemption?
- 3 From the many words and phrases one may choose to articulate the gospel of Christ, how would you define the gospel in one complete sentence? Could you verbally explain the gospel in less than one minute? Share it with a non-believer?
- 7 The word "gospel" means good news. In a world that often seems overwhelmed with bad news, how can we prepare people to hear the good news? What strategies for evangelism can we adopt as individuals? As families? As a church?
